Moderated conversation, questions supplied ahead.	
Workshop	2–4 HOURS
The Rebuild Method™ worked through. Cap of 40.	

ABOUT JOE

Joe Jackson is a designer of 25+ years and the founder of Digital Landscaper and Artist Growth System. In June 2020 a car crash left him with a traumatic brain injury, a broken neck, and nearly a year in a wheelchair. The rebuild that followed became The Rebuild Method™ — the framework behind his keynotes. He speaks from the patient's chair and the designer's desk, currently traveling the country by RV.

TECHNICAL NEEDS

Wireless lavalier or headset mic · HDMI or USB-C to house projection, 16:9 · Confidence monitor when available · Stage or floor — no lectern needed · Slides delivered 5 business days ahead

AUDIENCE FIT

- **Healthcare & rehab**
Hospital systems, rehab teams, patient and caregiver conferences.
- **Leadership & culture**
Offsites, all-hands, and leadership summits facing a hard reset.
- **Design & creative**
Studios, in-house teams, and creative conferences.
- **Association & civic**
Member conferences and community events wanting a human story with a framework.

FEE RANGE

\$3,000 – \$7,500

Scales with format, travel, and audience size.

Travel and lodging from current RV location.

Non-profit and patient-group rates on request.

WHAT I NEED FROM ORGANIZERS

- Confirmed date, venue, and run-of-show
- Audience size, makeup, and what the day is for
- Travel and lodging covered from current RV location
- AV contact and tech check window before doors
