

When the ground shifts, you don't go back. You build forward.

Joe Jackson helps people and teams rebuild after disruption: a hard diagnosis, burnout, or AI rewriting how creative work gets done. Keynotes, workshops and take-home tools, in plain language.

Three rooms, one throughline.

Wellness practitioners

Therapists, clinicians, recovery teams and caregivers get language for the hardest conversations.

Design leaders facing AI

Creative teams stop bracing and start rebuilding how they work, with a 90-day plan.

Artists & makers

A practical path to a sustainable creative business, from someone building one in public.

Keynotes and workshops Joe offers now.

Build Forward

A 45-60 minute keynote for leaders rebuilding a team after disruption.

Designing the Room Around Recovery

A 45-minute keynote for clinicians, recovery professionals, patients, and caregivers.

Steady Under Pressure

A practical resilience keynote or workshop for teams that cannot slow down.

Intuitive Resilience + Rebuild Method

A reflective keynote for wellness audiences, with a separate hands-on 2-4 hour workshop.

The talk is the start, not the end.

Take-home guides

90-day rebuild plan, recovery conversation guide, worksheets, stillness card.

30-day follow-up

Short notes to every attendee on days 3, 7, 14, 21 and 30.

Organizer portal

Every detail, file and date in one private link.

Book & pay online

Date holds, virtual keynotes and workshop seats with secure checkout.

Built from real work, not invented event history.

Artist Growth System

Joe is building an invite-only platform for artists and galleries: artwork, collectors, studio visits, and analytics.

Wildfowl Carving Archive

Joe is building a public record of North American wildfowl carving, including the Miller Collection wall, registry, and carver profiles.

Creative career

Joe's professional background spans creative strategy, art direction, advertising, and packaging.

Clear about what is real and what is illustrative.

Joe is beginning his speaking practice. Event names, dates, locations, audience details, images, quotes, and outcomes labeled illustrative are examples—not completed or scheduled engagements.

Real services

The talks, workshops, take-home resources, follow-up, organizer tools, and booking options in this deck are services Joe currently offers.

Illustrative content

Sample events show how an engagement could look. They are identified as illustrative wherever they appear.

No invented history

Illustrative venues, dates, audiences, photographs, quotes, and outcomes are not presented as Joe's speaking record.

Clear prices. No mystery fees.

In-person keynotes

\$3,000-\$7,500 depending on format, audience, preparation, and travel.

Virtual keynotes

\$2,500 flat, designed for screens.

Date hold

\$500 reserves an in-person date and comes off the final invoice.

Keynote + workshop

Quoted per event. Steady Under Pressure workshop access is also available at \$149 per person.

Four simple steps.

1. Ask

Visit the Work with Joe page, ask Joe AI, or contact Joe.

2. Fit call

A short call about your audience, date and budget.

3. Hold the date

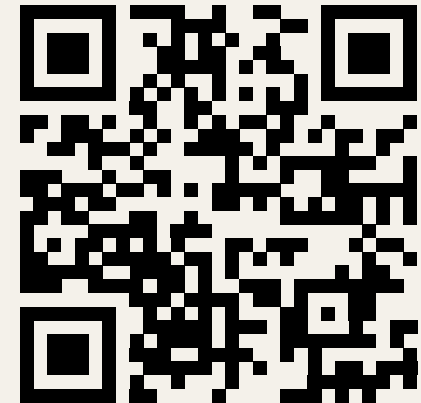

A \$500 hold or a signed agreement locks it in.

4. Portal & take-homes

Your organizer portal opens and the take-homes are prepared.
